

Saundersfoot Harbour

2018 Winter Boat Hoist Lifting Schedule

The harbour boat hoist lifting operation will commence as of the 09th of October 2018, we will be lifting until the 13th of October and resume on the 13th of November until the final lifting date of the 17th of November.

All vessels will be lifted from the harbour beach, so they must be brought ashore prior to arranged lifting time. Please ensure your vessel is washed off prior to lifting unless you would like the harbour team to do it on your behalf, as no vessel will be lifted ashore without first being washed off.

Your vessel can be collected from its mooring within Saundersfoot Harbour and brought to the harbour beach by the harbour team if you so wish but a further charge will apply in lieu of this.

Please be aware that all charges stated below are inclusive of VAT @20%, and that an additional charge of 25% will be levied against all operations outside of the above dates during 2018.

Dates may be subject to change depending on weather conditions, an alternative date will be arranged if this does occur.

Charges: - (all prices are quoted for a one-way operation and inclusive of VAT @20%)

- Boat hoist: - £3.18 Per ft LOA (per movement)
- Vessel storage: - £0.59 Per ft LOA per week (Not affected by the cut-off dates above)
