

Ymddiriedolaeth Porthlodd Saundersfoot Trust Port of Saundersfoot

TO ALL HARBOUR AND BEACH USERS

Due to the recent bad weather conditions that we have been experiencing the outer beach facing wall of the Harbour lighthouse has sustained minor damage, these storms have unfortunately loosened a number of large stones from the structure. Please be aware that these stones may be at risk of falling therefore please keep this area clear whilst repair work is undertaken.

Many thanks for your patience in this matter

Dave Richards
Harbourmaster
